The Arabian Horse World Championship Press Office must be satisfied that anyone applying for media accreditation is a professional journalist and represents bona fide media formally registered as a media organization. The Arabian Horse World Championship Press Office reserves the right to request supplementary documentary evidence to be able to establish the status of applicants. Applications are considered on a case-by-case basis and the decisions of the Arabian Horse World Championship Press Office are final.

**No media badge will be issued to journalists whose application does not conform to the established procedure.** Each

The accredited photographer undertakes to send a minimum of 20 good images in high resolution, presenting the main moments of the event (championships, classes, VIP, emotional moment) free of charge to the World Championship organization (photo credits will be mentioned). They will be used at the discretion of the organization for the site and the social networks of the World Championship. These images must be sent within 15 days of the end of the competition. The accredited photographer agrees to provide and/or sell the photos of the event to any person who requests it. The photographer undertakes to comply with all instructions given by the organization.
